## Ground, Weather & Light

There will be instances where starts are delayed due to late arrivals, playing conditions unreasonable due to weather or light. Meaning that it will not be possible to either commence at the scheduled start time or having started to be able to complete the game. The HJL would like to see as many games as possible completed each season where it is safe to do so.

League rules state that up until the 1st week of May and from 2nd week of August all games should be scheduled to start at the latest by 5.30pm. Where possible the League will arrange local fixtures during these periods. For the rest of the season, the latest start time is 6pm.

If it is not possible, for any reason, to start by the latest time then matches must be reduced by 2 overs per side for every 15 minutes lost.
